### What to watch

Review upcoming due dates, confirm expected payment timing, and check which invoices may need reminders.

### Best next step

Reach out to Gamma Inc and Beta Ltd first, since both still have open balances in the current cycle.

### Team note

Keep the client and payment pages updated after each follow-up so the dashboard stays useful at a glance.

## Dashboard Overview

This page gives you a fast read on revenue, invoice status, client activity, and payment follow-up priorities so you know what needs attention first.
