SEMESTER JOURNEY

From browsing to official records

Open Course Catalog

01
View Course Catalog
Browse subject folders designed like desk-ready notebooks so each course feels easy to scan.

02
Add to Semester
Every selected course is stored in your semester list and immediately reflected on the registration page.

03
Pay Fees
Once your load is ready, confirm payment to mark your term as financially cleared.

04
View Transcript
See your existing record plus the current semester status tied to the same Student ID.

STEP 1

Course Catalog

Active ID: **Not logged in**

Notebook-style course folders let students scan content, seats, and prerequisites before adding to the semester.

View Course Catalog | Add to Semester | Pay Fees | View Transcript

Frontend
